

Poetry By Moonlight

Capo II

Vs 1

^{Bm}We speak love into being by moonlight

Every word and question and wonder

^{F#m}Drawing a picture of what could be

^{Bm}The soft fall of sound from lips sweetly

Outlining the colorful touch

^{F#m}Silhouettes against the night sky

Chorus

^{F#m}The moon is our witness

This hope growing

^{Bm}Intentionally in the pale light

^{F#m}As wild hearts weave

Poetry by moonlight

Poetry by moonlight

Vs 2

^{Bm}We speak love into being by moonlight

Every song and sigh and hope

^{F#m}Painting a future that could be

^{Bm}A sparkling stream from hearts gently

Filling in the lines drawn

^{F#m}In the stars twinkling lights
