

Stargazing

By Rosalie Robison and Wendy Kheiry

Vs 1

Eb Db

Out in the dark on a moonless night

Above us a billion points of light

Capture our gaze reflected on the water

A connection made under the stars

Chorus

Ab Gb

Shooting stars

Fire streaks across the sky

Wishing on a star

Illuminating our natural high

Vs 2

Constellations whirling through the night

Galaxies racing right behind

Isolated from this artificial life

Enraptured by stardust of each other

Chorus 2

Wishing on a star

Fire streaks across the sky

Shooting stars

Illuminating our desires

Bridge

(chnt chnt chnt)

(chnt chnt chnt)

Woosh lpoo woosh

Loosh plos loosh

Hghghg hghghg hghghg

Outre

Bb Eb

Supernova glowing golden

We transcend this reality

(Chorus 2 – interspersed with music)
